ATTENDEE Registration

The past year has been the ultimate reality show and you are definitely an HR Survivor! Don't let the pandemic extinguish your torch. Register today at the KS SHRM Conference website at 2021.KSSHVM.ORG for our new 2-day event. Come and join your HR tribe for an educational and networking challenge! Registration provides both in-person and on demand options, as well as a discounted student registration option. If joining in-person, add the optional On Demand access to your registration to gain up to 50 recertification credits!

VOLUNTEER Leaders

As true leaders of your tribes, we have a \$50 discount for all State Council Board Members. And each chapter receives ONE complimentary registration to give to one lucky HR Survivor in their chapter.

BUSINESS Partners

Last year was tough with all the virtual events and we can't wait to celebrate being in-person with our business partners! We have new options this year to accommodate all sponsorship levels and are looking forward to a full Exhibit Hall. Showcase new products and services and interact with decision makers representing companies throughout Kansas. The in-person drought made our HR Survivors thirsty for this valuable interaction so be sure to register for your space today!
